DECLARATION OF PRINCIPLES

- We believe in Infinite Intelligence.
- We believe that the phenomena of nature, both physical and spiritual, are the expression of Infinite Intelligence.
- We affirm that a correct understanding of such expression and living in accordance therewith constitute true religion.
- We affirm that the existence and personal identity of the individual continue after the change called death.
- We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.
- We believe that the highest morality is contained in the Golden Rule: "Whatsoever ye would that others should do unto you, do ye also unto them."
- We affirm the moral responsibility of the individual, and that we make our own happiness or unhappiness as we obey or disobey nature's physical and spiritual laws.
- We affirm that the precepts of prophecy and healing contained in the Bible and all sacred writings of the world are Divine attributes proven through mediumship.

10 Hints for a Good Reading!

- 1. Seek a medium's help at a time when you are relaxed and undisturbed. If not, put your mind at ease RELAX!
- 2. Allow the medium to proceed in his or her manner. Don't expect your biggest concern to be discussed at once. PATIENCE!
- 3. No medium wants or needs help. Let them know when they are correct. BE FAIR!
- 4. Skepticism, demanding proof, arguing or wanting things done your way, only leads to failure. EXPECT GOOD!
 - 5. Spirit often manifests by name. However, evidence comes in many other ways as well, such as descriptions, relation ships, symbols, etc. BE WILLING TO VERIFY!
 - 6. Do not be too quick to say, "No." Wait! YOU WILL SOON UNDERSTAND.
 - 7. The true value of a reading isn't always measured by prophecy. Prediction is always possible, but you have free will to make changes in your life. GUIDANCE IS THE KEY NOTE!
 - 8. Mediumship is not fortune telling! A good reading should explain the philosophy of right living. EXPECT TRUTH!
 - 9. Every medium has a unique way of delivering a reading. Comparing the abilities of one medium with another is unfair.
 - 10. Trying to prolong a reading accomplishes nothing. The medium realizes when the spirit connection has ended.

 PLEASE COME AGAIN!
