\$10/day or \$15/weekend

Chesterfield Spiritualist College offers a variety of spiritual education programs which are continuing to evolve and expand. The recent addition of Distance Learning has brought about a lot of change and we will continue to grow and develop as we move forward.

The education committee is dedicated to continually evaluating and improving program content and processes based on the following current goals:

- Provide the highest quality classes, programs, and instructors. Work closely with students to ensure they achieve their educational goals.
- Provide teachers with professional development opportunities and resources.
- Utilize technology to expand and enrich the quality of our offerings. Grow our student community.

Structure the education committee and staff in a way that best supports our programs and ongoing growth. Continue to develop both in-person and online educational opportunities.
